"I just had to write to say what an incredible day we had and how much we appreciate your part in making it all a reality. The day went off without a hitch (from where we were standing anyway!) and was so smooth, stress and hassle free. All our guests have commented on the food, drinks and the service, all raving about how fantastic everything was. The staff did a wonderful job and you co-ordinated everything beautifully. I wish could do it again and again and again!!"

"What can we say other than thank you all sooooo much! An amazing venue with a faultless service and lovely staff. We felt at ease straight away and had the most fantastic day and night possible and so did all our guests who kept asking "how did you find this place?!" The only negative aspect is we think the Bridal Suite could do with a bigger bed...!!!"

“Just a quick email from our sun loungers in South Africa to say a massive thank you for everything you did for us in the build up to, and on the day of, our wedding. We had an amazing day and that was in no small part down to the incredible organisation and service provided by you and the team. The whole day was managed perfectly, which left us free to just savor the moment. Thank you!”

“A special thanks also to Joe for the delicious food, which we thought was fantastic and a lot of people raved about. The bar and waiting staff were also great; Sarah was brilliant and the waiting staff were professional, efficient and friendly.”

“And a final huge thank you to Cathy and David - you have a very special and dedicated team there. No job was too much trouble for them and they really made everyone feel at home. Our bacon sandwiches and breakfast were both fantastic.”

“I wanted to take the opportunity to thank you and all the staff at Wasing for all that you did to make Lucia and Adrian’s day so special. I turned to Lucia at on point during the day and just said “we chose the right place” and we all felt that. Our family and friends all said how wonderful the food was, the chef really did us proud.”

“Thank you in particular for unobtrusively ensuring that the whole event ran so smoothly. We never felt that anything could go wrong. The impression one gained was of a team that had been working together for a number of years rather than the few months in which you had been organising weddings at Wasing. Amazing. The day exceeded our expectations – it was perfect.”
