Dear Enquirer

## **PERMITTED WALKING AND RIDING ACCESS – WASING ESTATE**

Thank you for your enquiry regarding permitted access on the Wasing Estate.

The Mount Charity was established by Sir William Mount in the 1978 to provide support for local organisations, and is run by original family members and administered by volunteers and the staff of the Wasing Estate.

The main source of income is generated from an Access Permit system, which allows members of the public to walk and ride horses across approximately 6½ miles of permitted access owned by Wasing.

In recent years the charity has helped to paint and carry out much needed repairs on Wasing Church. Donations have also been made to a variety of local charities and schools etc, as the focus of the charity is now predominantly in Berkshire. The Wasing Estate provides maintenance and attempts to continue to expand and improve the tracks available to permit holders.

Riding permits are charged at £55 for the first horse, £44 for the second horse, £33 for any further horses with the walking permits being £16.50 per adult, and at half rate for children under 16. Permits are valid from January to December and as monies collected are for charity we do not offer any pro rata discounts on fees.

If you wish to purchase a permit, please complete the form attached and return to the above address, making cheques payable to the Mount Charity. If you wish to be deleted from the database we would be grateful for your notification.

We hope you will help support the charity and look forward to welcoming you onto the Estate.

Yours sincerely

**Louise Fell**
