Berkshire Joint Strategic Planning Authority
St Mary's House, c/o Town Hall,
St Ives Road
MAIDENHEAD
Berkshire
SL6 1RF

Dear Sir,

**Wasing Estate: Stakeholder in Minerals and Waste - West Berkshire
Response under Reg. 27 to Reg.26 Consultation on Joint Minerals and Waste
Development Framework Core Strategy - Preferred Options.
Response to Reg. 25 Consultation on Minerals and Waste DPD - Issues and Options**

Thank you for consulting us upon the above two documents, part of your Joint Minerals and Waste Development Framework and for providing full information on your website and locally.

We now attach our response on behalf of the Wasing Estate as follows:

1. Reg. 27 Response forms duly completed in respect of your Reg. 26 Consultation on the Core Strategy Preferred Options.
2. Reg. 25 Response forms duly completed in respect of your Reg 25 Consultation on the Minerals and Waste DPD together with supplementary papers as follows:
 - a) Site WB MO4 - four pages
 - b) Site WB MO5 - twelve pages and three plans
 - c) Response to Question 17.3 - two pages and plan

We trust and hope that all of the above will be clear to you but if there is any doubt about any part of the representations we have made we would be very pleased to meet with you to discuss our concerns in full.

We note that the consultation plan for site WB MO5 was revised at an early stage in consultation and we would ask you to be wary of any responses you receive which might be based upon and refer to the first plan.

We transmit these documents to you in pdf file format by email and a paper copy and signed letter by post today.

Yours faithfully

**For and on behalf of the
Trustees of the Wasing Estate**

**Francis Thompson MRICS, FIQ
Chartered Minerals Surveyor**
