Check out time is 10:30 am, this is critical when we have another wedding checking in that day. Please settle all outstanding amounts prior to departing. Payments can be made by cash, cheque with a valid cheque card or by debit / credit card.

Please ensure you take all your possessions with you.

Please note that all our rooms are strictly non-smoking.

Guests staying the night before the wedding

Bedrooms are available the night before a wedding, if we do not have a wedding on that day. These bedrooms are released 3 months prior to the wedding date. Please book these through the wedding couple.

Check in time – 3pm

Private dining is offered from a simple meal to a gourmet experience, alternatively there are plenty of good pubs locally offering a selection of foods.

Please remember to pre-order your meals at least one week in advance. The wedding couple have a couple of menus but for more gourmet style meals please email the stables and we will email you menus.

Please inform us of any special dietary requests.

Lost Property

This is kept in the Stables Lodge Reception, once found or handed in. All lost property left in the barns, gardens and bedrooms is kept here.

Please contact Cathy after 10:30 am any day, if you have left anything behind, preferably by email. Please be aware that any earlier she will be busy looking after guests and so you may have to leave a message if you choose to phone.

Room damage

Upon check-in we ask that you have your credit/debit card swiped for an amount of £100 in case we need to charge for extra expense or damage made to the room. If there are no problems once you have checked out then this amount will not be charged.

If there is any damage to the room or extra cleaning is needed over and above our standard room service then we will have to charge you for the full amount of these costs.
