Planning a Wedding is an exciting time but can also be quite stressful.  
To help you glide smoothly through this process we have put together a simple monthly  
Planning Guide – we hope this helps!

## The FIRST step

- Decide between you the type of ceremony and reception you would like. For example would you like a Church or Civil Ceremony Wedding?
- Set your budget and talk to family about possible contributions and discuss who is doing what.
- Decide on your estimated number of guests and draw up a list with all sets of parents.
- Choose a wedding planner if necessary.

## 12 - 18 months to go

- Make an appointment to see the vicar or registrar to fix the wedding date and chosen time. It is vital this is done as soon as possible to secure your preferred time.
- Organise your Wedding Insurance.
- Speak with Galloping Gourmet and discuss your chosen packages and menus.
- Start to search for Wedding Services, such as photographers, entertainment and table decorations.
- Book your photographer and band - if you have a preferred supplier please ensure you enquire about dates and book as soon as possible as they will get booked up to 2 years in advance!

## 6 - 12 months to go

- Start looking for a Wedding Dress, there may be alterations that need to be made or the dress you would like may need to be ordered so it is better to give yourself plenty of time.
- Decide your best man and bridesmaids.
- Choose outfits for best man, bridesmaids, ushers and any other attendants.
- Buy your wedding rings, these may also need alterations so again allow plenty of time.
- Choose your gift list.
- Order your wedding invitations, envelopes, place cards, menus and seating plan.
- Research florists and discuss flower options.
- Confirm your menu and drinks packages; arrange a menu tasting with Galloping Gourmet.
- Order your Wedding Cake.
- Book transport to Wasing Park and your first night accommodation/airport if necessary.
- For Church Weddings discuss with the vicar your choice of readings for the ceremony.
- For Civil Ceremonies discuss with the Registrar what readings and music is permitted.
