WEDDING VENUE

As soon as you arrive at the gates and begin your journey up the driveway, you will feel the all encapsulating magic of Wasing. Steeped in family history, a traditional Estate that has pushed the boundaries to create the most wonderful, award winning wedding venue.

Look out for our very friendly herd of Red Sussex cattle that will often greet guests on the main driveway as they enter the Estate!

THE GARDEN ROOM

The Garden Room is a warm and characterful space, set within the pretty walled gardens of Wasing Park and is licensed for civil ceremonies for up to 140 guests, or up to 160 guests with conditions.

If you are having your wedding ceremony in the Church or Victorian Summerhouse, you can use the Garden Room to host your drinks reception.

VICTORIAN SUMMERHOUSE

The Victorian Summerhouse is an idyllic backdrop amongst nature for your exchange of vows, blessing or photographs. In the event of inclement weather the Garden Room will be available for your ceremony.

Please contact West Berkshire's registrars to book a civil ceremony on 01635 279230 or superintendentregistrar@westberks.gov.uk

ST NICHOLAS CHURCH

St Nicholas Church is a beautiful and holy place where generations have met to worship and celebrate the great moments in their lives.

Couples from outside the parish can marry in Church if they fulfil certain qualifying connections. It can take some time to qualify, so please make contact very early on in your planning.

Couples are invited to attend a marriage preparation day, which is a relaxed and informal day with other couples and clergy, to explore the meaning of a Church wedding.

The picturesque parish Church of St. Nicholas sits within the heart of the venue. It can seat approximately 100 guests. The 15th century chapel has wonderful stained-glass windows and the white timber-clad turret is home to a 14th century cast iron bell.

Simply filled with candles or adorned in fairy lights and flowers, this romantic setting really suits all styles.

Bands and DJs can perform on stage in the Castle Barn, which is renowned for its wonderful acoustics, whilst you and your guests dance the night away. Glass doors open onto a large covered terrace ensuring all year-round use, maybe even dancing under the stars!
